

In the envelopes of your December Pension Statements you should have received a Certificate of Life Form. All pensioners are required to submit their Life Certificate by February 1st. of each year. If this form is not returned and completed in its entirety it will result in a suspension of pension benefits until received. The form must be notarized and a picture ID must be accompanied with the form. The pension office is able to notarize the forms for free but the pensioner must come in person to the office. If you need a copy of the form you can find it on the pension website (www.northmiamipension.com). If you have any questions please contact the pension office at 305-853-9292.

The Beauty of Retirement

It is so true that the beauty of retirement is that you can do virtually anything you want, at any time you want and anywhere you want to do it. My favorite pastime is, of course, hanging out with the family – especially the newest members! They definitely keep me young.

I retired in November 2020 after over 25 years of service with the Police Department. I loved my time with North Miami and I miss the people there, but I am definitely enjoying retirement. I spend my time hiking through some beautiful country in western/northern Georgia and taking road trips to see new places.

I wish all my family at North Miami happiness in both their work in the City and then a well-deserved retirement.
